January Match:

Tina Stone reported that volunteers are still needed to assist at the match. Set up starts at 7-7:30am. Pre-entries are beginning to come in.

LRCPV Trailer:

Deb Brunell will keep the trailer at her home after the match.

Specialty:

The Board has been discussing the purchase of gates. Current plan is to purchase or borrow white PVC chain and post for use in the breed rings. We may be able to purchase thee used from the Gordon Setter Club. We also plan to purchase one ring for use in Obedience and borrow one from the Golden Retriever Club. Annmarie and Lois are researching options for purchases. Danette Chorney offered to pick up our order at an obedience event, it this will save us the cost of shipping.

Ann Huntington reported that we will run our Specialty under the rules of "Option B". With this set of rules, Labs are given preference in obedience registration and

the total number of obedience registrations must be limited. This option will be available for Friday only. Obedience for Saturday will be open to Labs only.

It was decided that we would split the raffle at the Specialty into two separate raffles, one each day. This is done at many other specialties with success.

Annual Meeting and Awards Dinner:

The Annual Meeting and Awards Dinner will be held on Saturday, April 6th at Ann Huntington's home in West Suffield.

Motion to adjourn at 8:15 (Huntington/Wilson) Motion Carried.
