New application for Membership was received by Fran Lloyd, her application was read to those in attendance. All members in attendance voted to approve her application and become a member of LRCPV. WELCOME FRAN!

Welcome letter and club artifacts were sent to new member Lucille Jordan.

Lyn received a message that a letter sent to our P.O. Box was returned Annmarie confirmed the P.O. Box in Suffield is still valid. Lyn received emails from AKC confirming approval of the Rally events scheduled for the upcoming Specialty.

Match:

Danette went over a couple of points from our January match that was a huge success. Entries needed to be closed due to the over whelming amount of pre entries. Deb Brunell did great job taking over the raffle. Everyone was very happy with our choice for judges. We will make changes to how we handle the lunch at the January match. It was agreed that it is worth adding the extra room for next year. It was suggested that next year we only do pre entries for those wishing to do Competitive runs. There was a proposal to include our summer match to be held at Tails U Win also, this idea was decided that we should continue to run it as an outdoor match as there are not that many opportunities to practice in the outdoor setting.

Specialty:

The upcoming Specialty will keep the current fees of \$32/\$20. We will include in the Premium a form to be filled out by those wishing to camp on the show grounds. Changes to the assignments of members for the 2017 Specialty are Keith Blanchard- Chief Steward, Sandy Mascek- Judges Gifts Chair, Laura Bouver- Hospitality Chair, Lyn Blanchard – Logo Chair, Deb Brunell-Raffle Chair.

Supported Entries:

We have determined that the timing of the Great Barrington Shows is the better choice for LRCPV to pick up as a Supported Entry in 2018. This will be added to the Springfield KC that we support every November.

New Business:

Hunt dates, Annmarie and Doug attended the meeting for the Nod Brook dates and were able to lock us in for April 23, June 11 and September 30 of 2017. These dates will be used as training dates this year, anyone interested in learning more or participating in the training dates should let Annmarie know so we have an idea of how many will be participating. We expect to hold our WC on April 22, 2018, it will be a great time for LRCPV and all hands will be needed to make this a success. It was discussed the needed capital that would be required to hold this event, starter pistol, blinds, drying rack and wingers are the basics that will be needed to get started. Purchase of these items is still to be determined.

Old Business:

The LRC Specialty is being held this October in Connecticut, YEAH!!!! LRCPV will be preparing the welcome bags any donations to be added to the bags is appreciated. There will be about 200-300 bags.

The Annual Health Clinic will be headed up this year by Kelly Rome.

Lyn and Keith Blanchard were looking to have someone take over care of the LRCPV Library, Tricia Ancelli has graciously accepted the roll as LRCPV Librarian. Anyone looking to access any item from the Library should contact Tricia as of 3/1/2017.
